

Health Insurance Senior 4.0

Document with information about the insurance product

Company: Forsikringsselskabet Dansk Sundhedssikring A/S, Hørkær 12B, DK 2730 Herlev

Product: Health Insurance Senior, version 4.0

Forsikringsselskabet Dansk Sundhedssikring, VAT no. DK34739307, is registered as an insurance company at the Danish Financial Supervisory Authority.

This document is a short overview of the insurance coverage. The full terms and coverages can be viewed and downloaded via Dansk Sundhedssikring's website (ds-sundhed.dk), where easily accessible descriptions of the product content and the use of the insurance can also be found. After entering into the agreement, an e-mail will be sent with access to the agreed terms and information on the use of the health insurance. Each policyholder will also be given access to a digital portal with user-oriented information, including the specific insurance coverages.

What type of insurance is this?

This insurance is a health insurance that includes examination and treatment of physical and psychological health problems arising in the policyholder. The insurance may refer to both private and public healthcare providers and ensures access to quick and relevant examination, treatment, and surgery, including within the public healthcare system. The benefits also include counselling, referral, and assistance in navigating the healthcare services. All services are provided by qualified healthcare professionals.

Are there any restrictions on the cover?

- ! The health insurance only covers examination and treatment in Denmark. Digital forms of treatment can be used during stays abroad.
- ! The insured party must have an officially registered address in Denmark (excluding Greenland and the Faroe Islands) and be covered by the Danish public health insurance benefits and must have a Danish health insurance card.
- ! The 10-workday treatment guarantee is applicable from the receipt date of the relevant information. All examinations and treatments must be approved by Dansk Sundhedssikring before starting.
- ! The health insurance covers up to 10 physical treatments with physiotherapy/chiropractic per calendar year.
- ! The coverage of physical treatments includes disorders of the musculoskeletal system. The musculoskeletal system refers to the joints, muscles, and tendons of the back, shoulders, neck, knees, elbows and wrists.
- ! Direct referrals are made for treatment in Dansk Sundhedssikring's network, and no referral from your doctor is required.
- ! Treatment of chronic conditions is covered for up to 6 months from the time of diagnosis, provided they are diagnosed during the period of insurance.
- ! Examination can be done by a specialist in the public or private healthcare sector. Only treatment approved and used in the public health system is covered.
- ! The insurance covers illnesses and conditions that can be expected to be cured or substantially and permanently improved.
- ! If immediate psychological counselling is requested, the request must be made within 48 hours of the incident.
- ! The maximum cover per person per insurance year is DKK 250,000.

Where am I covered?

- ✓ The insurance covers examination and treatment in Denmark at a hospital or clinic referred to by Dansk Sundhedssikring.

What are my obligations?

- The insurance must be paid on time.
- You must supply us with the necessary personal and health information if requested.
- You must contact Forsikringsselskabet Dansk Sundhedssikring before initiating treatment. The insurance only covers approved treatment.
- You must inform us about any possible cover from other insurance when using that insurance.
- You must give your consent in relation to us obtaining and disclosing the necessary personal and health information to any relevant healthcare providers.

When and how do I pay?

- The insurance is paid the first time when it comes into force. Subsequent payments follow the terms of the agreement. The period for coverage is stated on the invoice.
- Insured persons are invoiced by e-mail or electronic invoicing.

When does the cover start and end?

- The insurance takes effect from the date stated in your policy and 12 months ahead.
- If you are a new customer transferred from another supplier of health insurance, the previous insurance covers any treatment already started until 3 months after the transferral.
- The insurance is valid as long as it is paid in due time and the insurance is not actively cancelled.

How do I cancel the policy?

- The policyholder may terminate the insurance in writing with one month's notice, effective from the end of the current month. Termination at the renewal date is free of charge. Termination at any other time is subject to an administration fee.
- Dansk Sundhedssikring may terminate the insurance in writing with one month's notice to the renewal date.
- In the event of non-payment of the first invoice, Forsikringsselskabet Dansk Sundhedssikring can terminate the insurance without further notice.
- In case of late payment, a reminder will be sent. If the charge is not paid on time, the right to compensation ceases, and the insurance is cancelled.
