The uniqueness of mandatory dental insurance for you

✓ We cover from day one

✓ We do not consider whether the employee has been to the dentist regularly or not

✓ We do not consider whether it is an old or new injury (except for prosthetic work)

✓ We do not make any demands on the employee regarding historical or future behavior

✓ No private individuals can buy a similar product

✓ Your spouse and children are offered attractive dental insurance outside the company

In Denmark an average person spends between DKK 30,000 and DKK 500,000 on dental treatment during his or her lifetime
