

Continue your insurance

Cover your health - also when you retire.

You get:

- Continued rapid access to competent healthcare treatment and advice if your health fails mentally or physically.
- Access to Denmark's best, quality-assured network of doctors, psychologists, physiotherapists and other practitioners.
- 10% discount on health insurance, that covers your health when you retires.

Terms for 10% discount

- You have had health insurance at Dansk Sundhedssikring via your previous work.
- You leave your previous job and retires.
- When you continue your health insurance with us as a pensioner, you bring you full seniority.
